

2019 World Jamboree - USA Food House

Food houses at the World Scout Jamboree are centers of fun, cultural exchange and, of course, great food. Café USA is recruiting young adult International Service Team (IST) members (ages 18-26) for its daily operation on Action Point. Assignments include cooks, greeters, servers, runners, cashiers, and audio/visual aides with some job rotation available. Both fun and time off are guaranteed! All will interface with Scouts of the world and Jamboree visitors. There will be daily themes and regional food as well as entertainment to share.

Register today for IST staff at <https://wsj2019.us/apply/> and indicate Retail Food as your primary IST preference. Note that application is not a guarantee of selection as all applications must go through an approval and review process. When you apply, please also send an email to 2019cafeusa@gmail.com (this email is strictly for Food House related questions and interests) so we know your application has been made and we can learn of your food service or related skills.

A second round of scholarship opportunities are available to help offset the World Scout Jamboree fee by as much as 40%. Check it out at <https://wsj2019.us/scholarships/>, along with the information sheet <https://wsj2019.us/wp-content/uploads/2018/10/USA-Contingent-Scholarship-Program-Phase-II-101318-v2.pdf>. Scholarship applications are due by January 31, 2019. It's a great deal to help fund a great opportunity!

We look forward to having you as a host in the USA Contingent's Café USA!
