### March 2021 Issue

## Special Announcement from the Communications Committee

Brothers,

Welcome to the March 2021 issue of Duck Calls! Despite the cancelation of Winter Service, I wanted to go ahead and distribute the most recent committee news to the Lodge. Stay in the know!

I look forward to seeing you in-person as soon as it is safe.

Brotherhood, cheerfulness, and service,

Parker Mokry

## Lodge Committee News

### Trading Post

**Chris Torres; Larry Johnson**

The Trading Post is taking Pre-Orders for the Lodge 25th Anniversary patches through April 15th. Also we have a display at the Council Office where you can fill out an order form, pay for items and they will be available for pickup on Thursday afternoon after 4 PM. Both forms are on the Lodge website or in the Council Office. We still would like for you to make arrangements to pay and pickup your 2020 Conclave Flaps that were pre-ordered or if you would just like to acquire some of these for collecting or trading. They should be a big hit as most Lodges didn't make Conclave patches for last year since it was canceled. Looking forward to having an in-person Trading Post soon where I can again see your smiling faces and take your money. Stay safe and well see you soon.
